

Colin Tück

Short Bio

Colin Tück is a self-employed higher education policy consultant with 15 years of experience in European higher education cooperation. He works in collaboration with different European projects and initiatives related to quality assurance, recognition, transnational cooperation and data exchange, amongst others.

Colin was the Director of the European Quality Assurance Register for Higher Education (EQAR). He managed the founding of EQAR as Project Manager on behalf of its founding members (ENQA, ESU, EUA and EURASHE) from July 2007 and later served as its first Director until April 2023. In that capacity, Colin also led the conception, implementation and management of the Database of External Quality Assurance Results (DEQAR).

Colin contributed to shaping the European Higher Education Area's (EHEA) quality assurance framework, for example as a member of the Steering Group for the 2015 revision of the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG), as a co-author of the European Approach for Quality Assurance of Joint Programmes and a member of the EU Micro-Credentials Higher Education Consultation Group.

Colin initially got involved in European higher education policy as a member of the Executive Board of the National Union of Students in Germany (fzs) and later of the European Students' Union's (ESU, formerly ESIB) Bologna Process Committee, following the topics quality assurance, qualifications frameworks, recognition and social dimension.
