Communication I have been both a university lecturer and trainer on political issues in public events.

Organization Leadership (currently responsible for a team of 5-7 people), strong organizational skills gained through experience working as an assistant to a local council member and a member of the national parliament.

I developed a unique 2-month educational integration program for Ukrainian women in Vienna, Austria, which included 10 lectures and 4 educational excursions with top speakers - specialists in their field. The project took place twice during 2023 for 2 groups of Ukrainian women.

Analytical and publishing skills Excellent analytical skills gained through working as scientist and analyst at a research center. My articles have been published in all-Ukrainian newspapers and scientific journals. I am the co-author of 2 collective monographs and 2 textbooks for students.
